1. This is an application for grant of bail. The police have completed the investigation and filed the charge-sheet. The applicants are shown as accused in C.R.No.22/2006 registered by the Chandwad police station for offences punishable under Sections 302, 304-B, 398, 323, 504, 506 r/w 34 of IPC. The deceased Manisha was found dead due to poisioning. The presents applicants are the husband and brother-in-law. In the

complaint the father of the deceased stated that when he saw the dead body of his daughter he saw injuries on the back & head of the deceased. But such injuries are not found in the report. The complaint narrated that the demand was made 1 & 1/2 years ago before the complaint. Demand is not proximate to the death. There is no specific material against the present applicants and there are general allegations of harrasement. The trial Court while granting bail to some of the applicants, concluded that the death may not be homicidal as there is no injury found on the dead body. There is possibility that the death is caused by suicide. Taking an overall view of the matter and as the investigation is completed and charge-sheet is filed, in my view, the bail can be granted to the present applicants. It is therefore, directed that pending their trial in connection with

C.R.No.22/2006 registered by the Chandwad police station, the applicants may be released on bail in the sum of Rs.15,000/- each with one surety each in the like amount subject to the condition that they will report to the investigating officer on every 1st Monday of the month till the disposal of the trial. Application stands disposed off.
